

SPONSOR UNBLOCK AI CONFERENCE

and meet the people putting AI to work in Lisbon.

DATE	VENUE	HOURS	SEATS
Fri 13 Nov 2026	Hotel Júpter, Lisbon	08:00-20:00	100, in English

THE EVENT

One day of practical AI. In the morning, talks from people who run AI in production. In the afternoon, hands-on workshops at three levels, from no code to your own AI command center, where everyone leaves with something working. We close with a happy hour at the hotel.

The stage stays independent: sponsors get visibility, and every session is led by people who build.

900+

members in the Unblock AI community

17k+

LinkedIn followers across the three organisers

7

meetups in Lisbon, 600+ people

100

seats at the conference

The event is promoted to the community and on the organisers' LinkedIn. We are also arranging press coverage on the day.

WHY SPONSOR

In front of the right people

Builders, team leads and the people bringing AI into their companies, in one room for a whole day.

Meet them in person

Coffee breaks, workshops and the happy hour are made for real conversations.

Your team learns too

Every pack includes seats for talks and workshops. Send anyone, from any role.

Back a free community

Unblock AI runs free monthly meetups with no sales pitches. Sponsors keep that going.
